CINÉFEST SUBURRY ANNOUNCES PARTNERSHIP WITH CINEPLEX EVENTS

SUBURRY – Cinéfest Sudbury International Film Festival is proud to announce a budding partnership with Cineplex Events.

Cineplex Events brings exclusive and curated programming to your local theatre through a variety of series programs and one night only events. These programs are unique whether they are live via satellite, feature live Q&A's with prominent cast and crew, or exclusive behind the scenes footage.

“As Canada’s largest film exhibitor, Cineplex is proud to sponsor and support numerous film festivals in communities across the country,” said Brad LaDouceur, VP of Event Cinema, Cineplex. “Cinéfest Sudbury shares our passion for bringing rich and diverse content to the big screen and we are excited to work together to ensure the Sudbury community has every opportunity to experience our ongoing lineup of exclusive performances, special programming and live events.”

Cinéfest Sudbury International Film Festival will work with Cineplex Events to promote year-round events in our community. Event Cinema programming includes The Metropolitan Opera, Classic Film Series, and stage performances with world-renowned performance companies (National Theatre Live, Bolshoi Ballet, Royal Opera House, Stratford Festival, Kenneth Branagh Theatre Company).

In addition, Cineplex Events strives to meet the community’s needs by offering programs such as Stars and Strollers, and Sensory Friendly Screenings. Providing a safe and comfortable environment to see the big picture, with lights raised and sound lowered.

“We are pleased to partner with Cineplex Events, we look forward to keeping our audiences informed of high-caliber cultural programming, available right here in Sudbury,” says Executive Director, Tammy Frick. “Cineplex has been a big contributor to the ongoing success of our film festival, and their commitment to making world-renowned cultural events and performances accessible to audiences in smaller communities is highly commendable.”

Mandy is set in the primal wilderness of 1983 where Red Miller (Cage), a broken and haunted lumberjack, lives in the woods with his artist girlfriend Mandy (Riseborough) who spends her days reading fantasy paperbacks. One day, she catches the eye of a crazed cult leader who conjures a group of motorcycle-riding demons to kidnap her. Red, armed with a chainsaw and various other weapons, stops at nothing to her back, leaving a bloody, brutal pile of bodies in his wake.

The 30th edition of Cinéfest Sudbury International Film Festival runs from September 15 – 23, 2018.
