

ADVERTISING WITH CINÉFEST

As one of the city's largest annual events, we have also become one of the largest annual film festivals in Canada! As we interact with more provincial, national, and international media, we hope you will join us in making your name and business synonymous with Cinéfest's commitment to quality, integrity, and excellence. An investment in Cinéfest is an investment in the future of Sudbury's growing arts and culture scene.

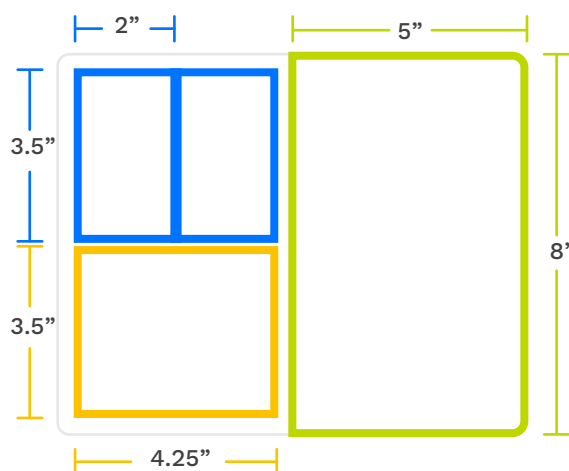

Our program book acts as both a guide and summary for the week of the festival and is highly sought-after by festival attendees. It is available both as a physical book (3,000 copies), as well as in digital form for anyone to download from our website. This guarantees your advertisement will be viewed by thousands of our patrons and film guests.

The 37th edition of Cinefest Sudbury International Film Festival is set to run from September 13-21, 2025.

If you are interested in partnering with us, please complete the attached form.
